Congratulations to our sponsor, Stellar Solar, for being voted the "Best Solar Panel Company in San Diego"

by readers of the Union-Tribune for 3 out of the past 4 years!

Not only is solar good for the planet, it's good for your bank account: For about what you'll be spending with the power company in the next 5 years, you could own a new solar energy system and have zero power bills for the next 30 years -- while adding new value to your home. Call Stellar Solar for a free quote today. It's easy, it's fast and you'll save a bunch of money while you're saving the planet.

Woohoo! We took 2nd place in the A-List poll (of 27 venues) Best Live Music Venue! *Thanks for voting!*
